Local Property Tax (LPT)

Dear Sir/Madam,

I refer to correspondence in relation to Local Property Tax for the property at: BARNASRAHY, CO. SLIGO.

Property ID: 4454231QHPIN: FW76WE94

Based on the information provided to Revenue as evidence that the above-mentioned property is uninhabitable, it is accepted that it was not a 'relevant residential property' on

- 01/01/12 (2012 Household Charge)
- 1/05/2013 (LPT liability period 2012 – 2021)
- 1/11/21 – 01/11/24 (LPT liability period 2022 – 2025)

Revenue has now amended the LPT register to reflect the non-liable status of this property for Local Property Tax. Please note that if the property is made habitable it will be liable for LPT from the next liability date.

The liability date for LPT is the 1 November each year. The date determines if a property is a relevant residential property. If the property becomes habitable or is in use as a dwelling on the 1 November it is liable for LPT for the forthcoming year.

As LPT is a self-assessed Tax, liable owners will have an obligation to contact Revenue if the property becomes a relevant residential dwelling and suitable for use. Interest of 8% for late filing may occur in the event of late registration for LPT.

If you have any further queries, you can contact the Local Property Tax help line on 01 738 3626 or 00353 1 738 3626 if calling from outside Ireland. Alternatively, correspondence may be sent freepost to LPT Branch, PO Box 1, Limerick or uploaded electronically through 'My Enquiries' on [www.revenue.ie](http://www.revenue.ie).

Yours Sincerely

PPSN
